"ProPanel 3 in 1 horse feeders have dramatically reduced our horses wasting hay and made cleaning the stalls much easier." - Bob Avila

"We believe ProPanel feeders are the safest and healthiest products on the market for our horses."
- Craig & Ginger Schmersal

Pro Panel*

USED BY MORE HORSE PROFESSIONALS THAN ANY OTHER FEEDER IN THE WORLD

Made of molded polyurethane and installs in minutes inside your stall or outside in paddocks and runs. ProPanel feeders install at ground level where horses can eat comfortably and as a result waste less hay. Smooth rounded edges prevents injury.
